Landing Page & Blog | Corporate Web (Created with WordPress)

WordPress Landing Page	€249
WordPress Corporate Web	€599

FOOTNOTES:

1. All prices include VAT.
2. By default, the webs operate with Hostings provided by Raiola Networks, with their most basic plan, since this type of website does not normally require more features. If you want a more powerful Hosting or work with a different provider, this cost will be charged in the final invoice.

Maintenance Packs: Landing Page & Blog | Corporate Web (Created with WordPress)

Pack Type	Cost	Features
Essential	€24/month	Maintenance of 1 web site. Creation of corporate emails. WordPress updates & required plugins. Security checks. Daily backups. Support by phone + email.
Professional	€49/month	Essential Pack +: 2 hours/month of small tasks to delegate in Galde. Remote support via TeamViewer and/or Google Hangouts Meet.
Full	€79/month	Professional Pack +: A total of 15 hours/month of small tasks to delegate in Galde. SEO analysis and improvement recommendations.

FOOTNOTE:
All prices include VAT.

Online Store (Created with PrestaShop or WooCommerce)	
PrestaShop Online Store	€1399
WooCommerce Online Store	€1399

FOOTNOTES:

1. All prices include VAT.
2. By default, the webs operate with Hostings provided by Raiola Networks, with its most basic plan. However, a store with a large enough catalog might need a plan with more resources. If you want a more powerful Hosting or provided by a different provider, this cost will be charged in the final invoice.

Maintenance Packs: Online Store (Created with PrestaShop or WooCommerce)		
Pack Type	Cost	Features
Essential	€24/month	Maintenance of 1 web site. Creation of corporate emails. PrestaShop/WooCommerce updates & required modules/plugins. Security checks. Daily backups. Support by phone + email.
Professional	€49/month	Essential Pack +: 2 hours/month of small tasks to delegate in Galde. Remote support via TeamViewer and/or Google Hangouts Meet.
Full	€79/month	Professional Pack +: A total of 15 hours/month of small tasks to delegate in Galde. SEO analysis and improvement recommendations.

FOOTNOTE:
All prices include VAT.

Additional Services Available (both for information pages and online stores)	
Definition and Execution of Digital Marketing Strategy	Creation of Keywords in Google AdWords
	Copywriting for texts on the website and/or promotions on Social Networks
	Configuration and monitoring of Facebook Ads, Instagram Ads & LinkedIn Ads campaigns
Restoration / Maintenance of web pages with legacy systems	
Creation of fully ad-hoc web pages	

FOOTNOTE:

The prices for each of these cases will be negotiated individually, since there may be great variability between what different clients require, and therefore, their potential workload.

MORE INFO

WHAT WILL GALDE BRING YOU?

Galde will provide you with technical optimization, as well as an optimization of business and commercial strategy of what your website should be, so that your website will be technically well built, and its appearance and texts will be consistent with the strategy of your business.

In addition, Galde can help with certain content (texts, reports and data analytics).

WHAT WILL GALDE'S NETWORK OF COLLABORATORS BRING YOU?

Galde has a network of collaborators who can help cover all your needs, in the event that you have more advanced needs. However, **this will increase the budget, as more people will work on your project.**
